## Your gifts of time and treasure made a difference

**Thank you for your donations in 2010! Your help has had a major impact this year!** Many of you who take advantage of our People Trails will notice many miles have had overlays, cracks sealed and brush cut back away from the trails. We also will be moving part of a trail in the Northbrook area so it is not lost due to flooding. We have planted many trees in many of our parks this spring and summer because you recycle your paper in our Abitibi bins, which provides funds for new trees. We are having necessary improvements made at Donner Aquatic Center and Hamilton Center Ice Arena. This year you have helped fund our Special Swim Program and our free Summer Playground Program and we have given over \$15,000 in scholarships helping children be active, be healthy and have fun. **Your help has made these improvements, programs and scholarships possible! It is a privilege to make a difference and you have made a difference for our community and our residents.**

**Still not convinced about the impact of your donations? Consider this story about one of our young users, a six year old participating in our Come Out and Play Free Summer Playground Program at Pence Street Park.** On a field trip to the Donner Aquatic Center, the young lady asked a recreation supervisor to watch the two cookies she had received for a snack while she went to the restroom. The supervisor said she would and no one would touch her cookies. The young lady reiterated her request and told the supervisor she was hungry and those cookies would be all she would have to eat the rest of the day. As a result of this story and many others like it, we

now partner with the Federal Government through BCSC to provide the free lunch program throughout the summer at both Pence Street Park and Ninth Street Park. If we can no longer provide the free summer playground program, the partnership would no longer be available. This program helps build healthy lifestyle habits, teamwork and self-esteem. Your help in 2010 made this partnership possible. **We need your help to continue.**

Warren Buffet once said, **"Give generously, give now, teach your children the power and joy of philanthropy."** When 40 billionaires, led by Bill Gates and Warren Buffet, pledged to give away half of their wealth, the size and generosity of their commitment attracted worldwide acclaim. Fortunately, you don't have to be a billionaire to make a difference.

As a community, we take pride in the quality of our parks and trails and recreation programs and value the role they play in improving all our lives. But there is work to be done to keep it that way. We need to build our scholarship funds so that all children have access to activities and lessons offered. We need to maintain our parks and trails. We need to fund our Special Swim program for our special needs children. We need to build our fund to buy rental ice skates so all children and families can skate. **The Columbus Park Foundation is working for you. Please consider giving to support us in these efforts. Give to make getting healthy an option for all residents. Give to make sports and recreation activities available to all our children. Give to make an improvement in the quality of life for all residents.**

## Special Swim Program: Help It To Continue

Our Special Swim Program promotes basic swimming skills and water safety and helps children and teens with sensory impairments learn how to exert more control over his or her body's movements. This program demands one trained staff member per participant. For 63 years, this program has been privately funded. There are no longer the funds to continue. **With your help we can continue to help our special needs children and teens.** Give to make an improvement in the quality of life for these children and teens, now and ....tomorrow.

## Help us stop vandalism in our parks!

In 2010, Columbus Parks and Recreation Department spent \$23,548 repairing damage due to vandalism. The previous year, \$21,000 was spent to repair vandalized park areas. The parks and facilities in Columbus belong to all of us. Money to repair vandalism takes away from funds that would normally be used for programming or improving facilities. **Please do your part to help by keeping your eyes and ears open and report any suspicious activity or damage in our parks to Columbus Police Department.**

## Thank you, Volunteers!

**A GREAT BIG THANK YOU GOES OUT TO OUR COLUMBUS PARKS AND RECREATION VOLUNTEERS.** Your time and talent are most valued. We continue to need your help to keep our People Trails, soccer and ball fields and all our parks clean. ***If you like to paint, weed, clean, help with mailings, etc. and would volunteer your time please call 376-2680.*** Don't forget to add your paper to our Abitibi bins in Donner and Lincoln Parks - you help us buy new trees!
